

## Emergency aid for Haiti

**In Haiti, thousands of vulnerable families risk dying from hunger.**

Natural disasters, as well as political, economic and social crises succeed one another, and the Coronavirus continues to worsen the situation. Most people are already struggling to find enough food to survive.

**OTM puts in place an > Emergency aid in Haiti.  
Please help us in helping the poorest!**

A sum of **25 EUR**, covering the distribution of seeds, gives a family a perspective for the future.

A sum of **50 EUR** feeds a family for one month.

A sum of **100 EUR**, covering the purchase of goats, allows a vulnerable family to stabilize its income.

**> Thank you very much for your support!**
